MONOLOGUE

Disney's The Great Movie Ride will be shutting down for good in August. It's not the worst thing Disney has had to put down. Speaking of, has anyone seen Pluto.

Disney's The Great Movie Ride will be shutting down for good in August. Not to worry though, Adam Sandler is coming out with the Moderately Average Movie Ride.

Clinton donors are considering backing Senator Kamala Harris for the 2020 Democratic Nominee. If she doesn't win it will be a bigger let down than going to Chick Fila on a Sunday.

The final season of Game of Thrones premiered Sunday. That's the show about sex that occasionally deals with Medieval Kingdoms.

The BBC named Jodie Whittaker as the first woman to play the Doctor on Doctor Who. For 50 years the role has been played by a man. Making this the most prolific sex change since Caitlyn Jenner.

The Former Ethics Chief says Trump his being held to a lower standard then his staff. He is basically the Eric Trump of The White House.

Ivanka Trump served Hot Dogs with Marshmallows at her daughters 6<sup>th</sup> Birthday. This is apparently a cultural thing in the Philippines. Which prompts the question, is anything the Trumps make actually made in America?

Randy Newman wrote a song about Donald Trump's Dick. According to Melania, the song is just like Trumps dick, short.

Afghanistan's version of Sesame Street has added a new puppet character. Unlike the White House, this puppet is not controlled by Putin.

A former model had four pints of fat injected into her butt so it would look like Kim Kardashians. So she is a quarter way there.

A Rehab Clinic in Los Angeles is allowing its patients to smoke pot. That's like when your Dad would punish you for smoking by making you smoke a full pack of cigarette.

At his parole hearing, OJ Simpson said if he released he may start a blog. So be on the lookout for the new Buzzfeed article "9 Great Places to Hide Silverware in a Hurry"
