

In a new poll from CNN, Trump trails Biden, Sanders and Oprah in hypothetical 2020 match ups. Trumps not buying it. Let's face it unless Stormy Daniels is on it, Trump is not interested in "Poles".

Casey Affleck is skipping the Oscars amid the Me Too movement. Aziz Ansari just skipped the SAG Awards because of the same reason. Awards shows this season has more empty seats then the opening screening of The Room.

Bill Cosby performed standup comedy in Philadelphia last night. One audience member called the performance "boring". It looks like Cosby is going back to the old-fashioned way of putting someone to asleep.

Jeff Sessions was the first known member of Trump's cabinet to be questioned by Mueller's team in the Russia Probe. He is also the first known member of Santa's Elves to be questioned.

Saddam Hussein wrote a romantic novel that you can now buy on Amazon. It's being called the greatest romance story from an evil Dictator since Hitler's screenplay Mein Wife.

According to a new poll, most Americans oppose a federal crackdown on legal marijuana. This poll might be biased because it was taken at a line inside Taco Bell.

Some Universities are allowing students to major in Marijuana Studies. For homework, students will have to watch the entire series of Scooby Doo.

Jon Bon Jovi sent writers from Fresh off the Boat Bon Jovi T Shirts after they mentioned him in an episode. I would also like to mention Bon Jovi and say I like Ferraris.

Donald Trump is supposed to give the State of the Union speech Tuesday. The White House says if he does a good job they'll let him stay up late with milk and cookies.

Last night was The Grammys. Grammy is the nickname given to Madonna by whomever she is dating.

In a tweet this morning, Eric Trump claimed Ellen DeGeneres was a part of the Deep State. He then realized it was morning and went back into his coffin to hide from the sunlight.

Jeff Sessions will allow federal prosecutors to decide how they handle marijuana in states where it's legal. Sessions hates weed so much that his favorite part of the Spiderman movies is when Mary Jane is in trouble.

After her rousing Golden Globes speech, people want Oprah to run for President. I'd love to see her sign legislation. "You're getting health care! You're getting health care! Everyone is getting health care!"

While presenting the award for best Director, Natalie Portman went off script and commented on how none of the nominees were female directors. She slid that comment in as smoothly as Putin slid Trump into the White House.

In response to accusations about his mental health Trump has said he is a stable genius. A waiter carrying six margaritas is more stable than Trump.

Joe Biden recent said he originally did not want to be Vice President. This comes after allegations that Trump never wanted to be President. Does anyone besides Hillary actually want to lead this Country?

Joe Biden went on to say that being Vice President was the greatest honor of his life. While Melania Trump called being First Lady the greatest horror of her life.

After failing to mouth the right words to the National Anthem, Trump Jr tweeted "That's how it's done". Trump Jr. is as self-aware as a guy who is flirting at a bar with spinach in his teeth.

People in Hawaii received an alert Friday warning them a missile was headed towards them. Then collectively the people of Hawaii dropped a missile in their pants.

The Philadelphia Eagles are going to the Super bowl. This greatest thing the Eagles have done since that one attacked Trump.

Tom Brady will lead the Patriots in the Super bowl. He will be joined by Greg, Peter and Bobby.
